

TEAM BUILDING WITH LOCK-CLOCK ESCAPE ROOM

WHY SHOULD YOU CHOOSE AN ESCAPE GAME ACTIVITY FOR YOUR TEAM-BUILDING?

Escape Room is not just a game, it's an adventure that immerses players in an imaginary world with an important mission to accomplish. When it comes to a corporate event, escape rooms are capable to increase cohesion among the participants and create unforgettable emotions shared with co-workers.

Under positive stress, locked in a space and with limited time to escape, we get to know the hidden qualities of our teammates and notably improve communication skills since it's a collaborative game.

WHAT PEOPLE THINK ABOUT US

LUIS VANN

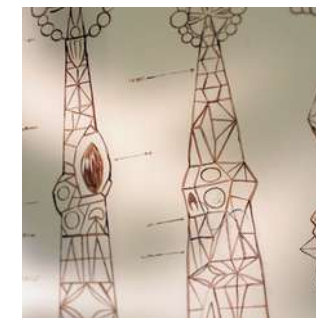

“ A very original and fun activity to discover Barcelona in a different way! The puzzles which guided us through the streets of the Gothic quarter were very interesting and I appreciate a lot the clues of the Time Guardian which helped us a lot during the game! Would recommend it without a doubt.

ANDY ROSSETTI

“ My friends and I had a great time in Lock-Clock! We played After Party escape room, a very original way to have fun ;) The guys who work there are really helpful and friendly. If you are in Barcelona, do not miss this Escape Room!

SONNY MATTSSON

“ We played the Gaudí Experience and it was great fun! From the start, the room offered many different challenges at once without feeling messy or too overwhelming. The enigmas were complicated but logic was always the answer, and the problems were well varied and interconnected. Cooperation and utilization of everyone's skills are key.
